About BBA

BBA is a three years degree course. Its an undergraduate course that helps develop skills of the candidates with a combination of business related subjects and generic subjects. BBA courses also offers specialization in marketing, finance and HR management. The average starting salary of a BBA graduate is on an average Rs 3 lakh and upwards. However, only a handful of them are worth joining from the point of view of return on investment (ROI), the richness of the experience of the faculty pool, quality of the peer group, academic rigor, etc

ERUDITE

NEXT ONE COULD BE YOU!!!

Erudite helped me with IPM preparation for IIM Indore Along with that Mentors guided me like an elder brother throughout my preparation. PI session played an important role for selection into IIM Rohtak Thank you Erudite for your support and guidance. I highly recommend Erudite for IPM GD PI Training in Kolkata.

SHRINUJ DIDWANIA, IIM Indore

My experience with Erudite IPM Training has been really great. Their sessions are very relevant and provide a very accurate idea to the seeker. The mock PI has also been extremely helpful and I recommend Erudite to every IPM aspirant, they have a very optimistic approach and I dedicate my selection single-handedly to this institution.

Abir Mukherjee, St. Xavier's University
