# BLENDED LEARNING

What is Blended Learning

- No Reduction of Face to Face Classroom Sessions & Interaction with Mentors.

- You will learn at your own pace while getting immediate feedback.

- Access to different mediums of learning will also make learning more fun and engaging.

In-Person Instruction · ERUDITE's Classroom · Online Resources

- **Students can work at their own Pace & Level.**

- **Students comfortable with the topic can go through it quickly - even watch at an increased speed!**

- **Students not comfortable with the topic can pause, take notes, rewatch it to understand a concept.**
