Blended learning is a teaching methodology that combines online educational materials and opportunities for interaction online with instructor-led classroom activities, giving students more flexibility to customize their learning experiences.

There is No reduction of Face to Face Classroom Sessions & Interactions of Mentors. It empowers the students to learn at their own pace through recorded Video Lessons while maintaining the interactive classroom study approach.

Erudite is the first CAT coaching institute that is providing both online cat coaching as well as classroom sessions. Students can avail the benefits of both. On demand doubt clearing sessions are provided to each student with a personal mentorship program.

Erudite has trained thousands of students in the last 24 years and continues to give exceptional results with 2167+ IIM Calls.

ONLY INSTITUTE IN
