How GMAT is structured?

The GMAT Exam has four separately timed sections. You will have the opportunity to take two optional eight-minute breaks during the exam.

- Analytical Writing Assessment—measures your ability to think critically and to communicate your ideas
- Integrated Reasoning—measures your ability to analyze data and evaluate information presented in multiple formats
- Quantitative Reasoning—measures your ability to analyze data and draw conclusions using reasoning skills
- Verbal Reasoning—measures your ability to read and understand written material, to evaluate arguments and to correct written material to conform to standard written English

The Value of GMAT

Stand out in a competitive applicant pool

- Earning your best test score can elevate your profile amongst other qualified applicants.

Qualify for Scholarship opportunities

- By taking the GMAT you'll become eligible for MBA and business masters scholarships given out each year by business schools, Industry organizations and foundations.

Make up on the weakness in your application

- A strong test score can make admissions committees more comfortable admitting you if your undergraduate record isn't as strong as they would like otherwise to be

Position yourself for jobs post-business school

- Some blue-chip employers in the consulting and finance industries will ask for your GMAT scores as a part of the initial candidate screening. A good score can help you land up your dream job.

NEXT ONE COULD BE YOU!!!

A high score on GMAT® typically requires extremely good Verbal skills. And the verbal preparation at Erudite was both comprehensive and in-depth.

Aryatta Aggarwal 760 / 800

Coming from an NIT, the only difficulty for me would have been the adaptive nature of the test. But thorough practice at Erudite with diligent analysis helped me play to my strengths and score to my best level on the GMAT®.

Bikash Sharma 740/800
